Key Sections of an IEP

#1

The **Present Levels of Performance (PLAAPF)** describe where your child is right now—academically, socially, and functionally.

#2

Annual goals set clear, measurable skills for your child to work on, based on strengths and needs.

#3

Accommodations change *how* your child learns; **Modifications** change *what* they learn.

#4

Related services (speech, OT, PT, etc.) support your child's learning and development.
